

QUICKLY BUILT

FAST & RELIABLY DEPLOYED

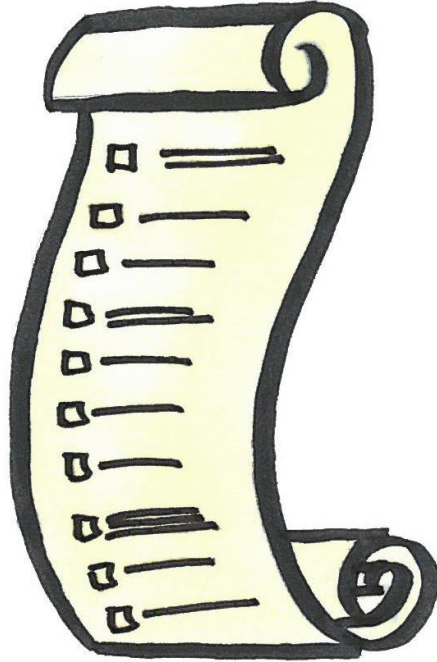

Jimmy is responsible
for deployments

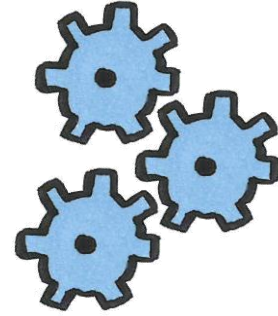

He created his own
check-list and seems
happy about it

Complexity was
increased for years...

- Why automation?
- What is Octopus Deploy?
- Under the covers of Octopus
- Demo

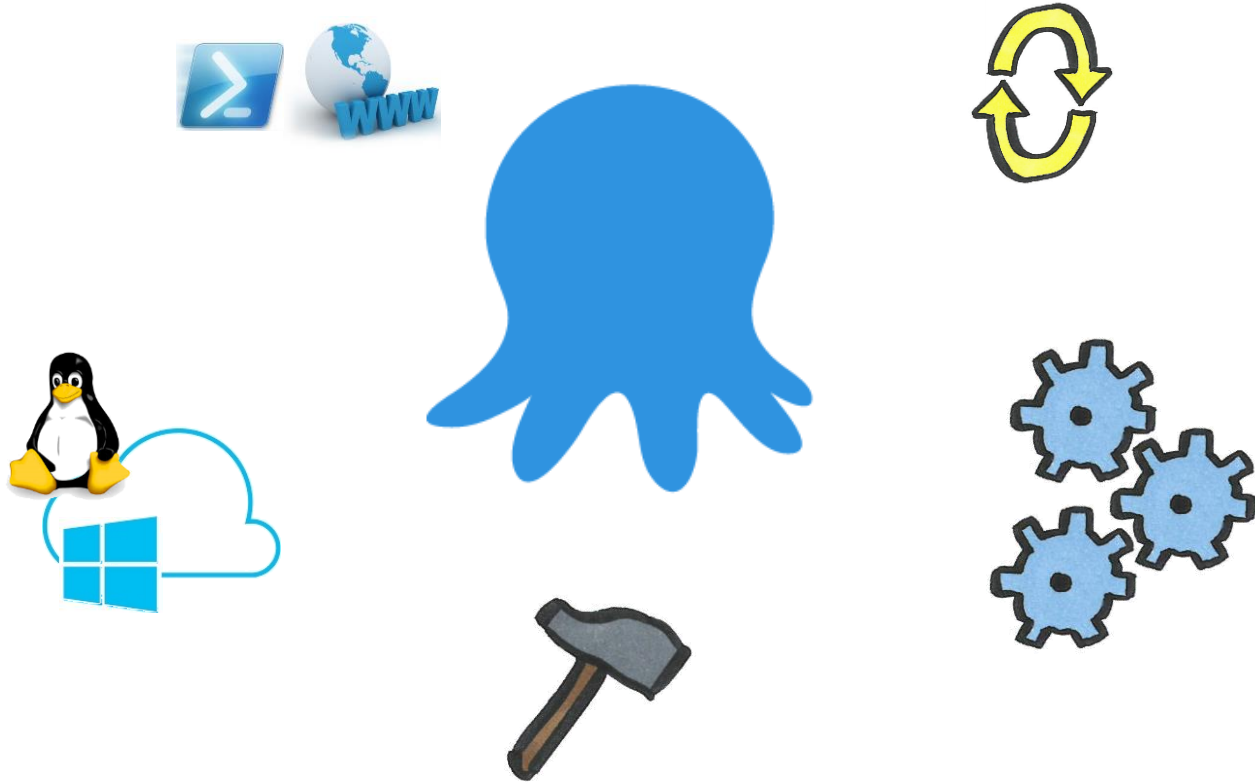

- Reliability

- Historization / Audit

- Speed

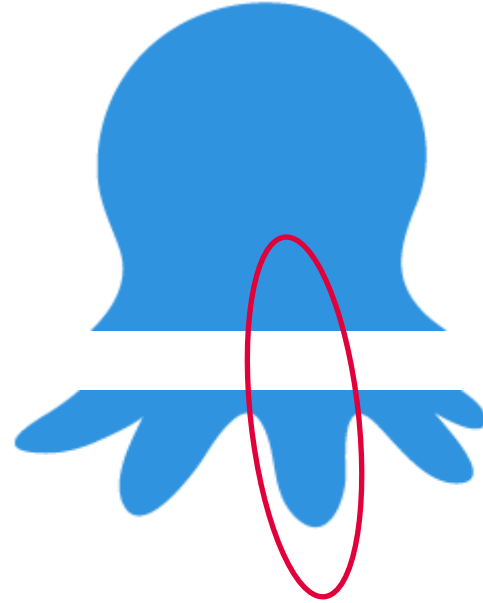

- Personal Dependence

What is Octopus Deploy?

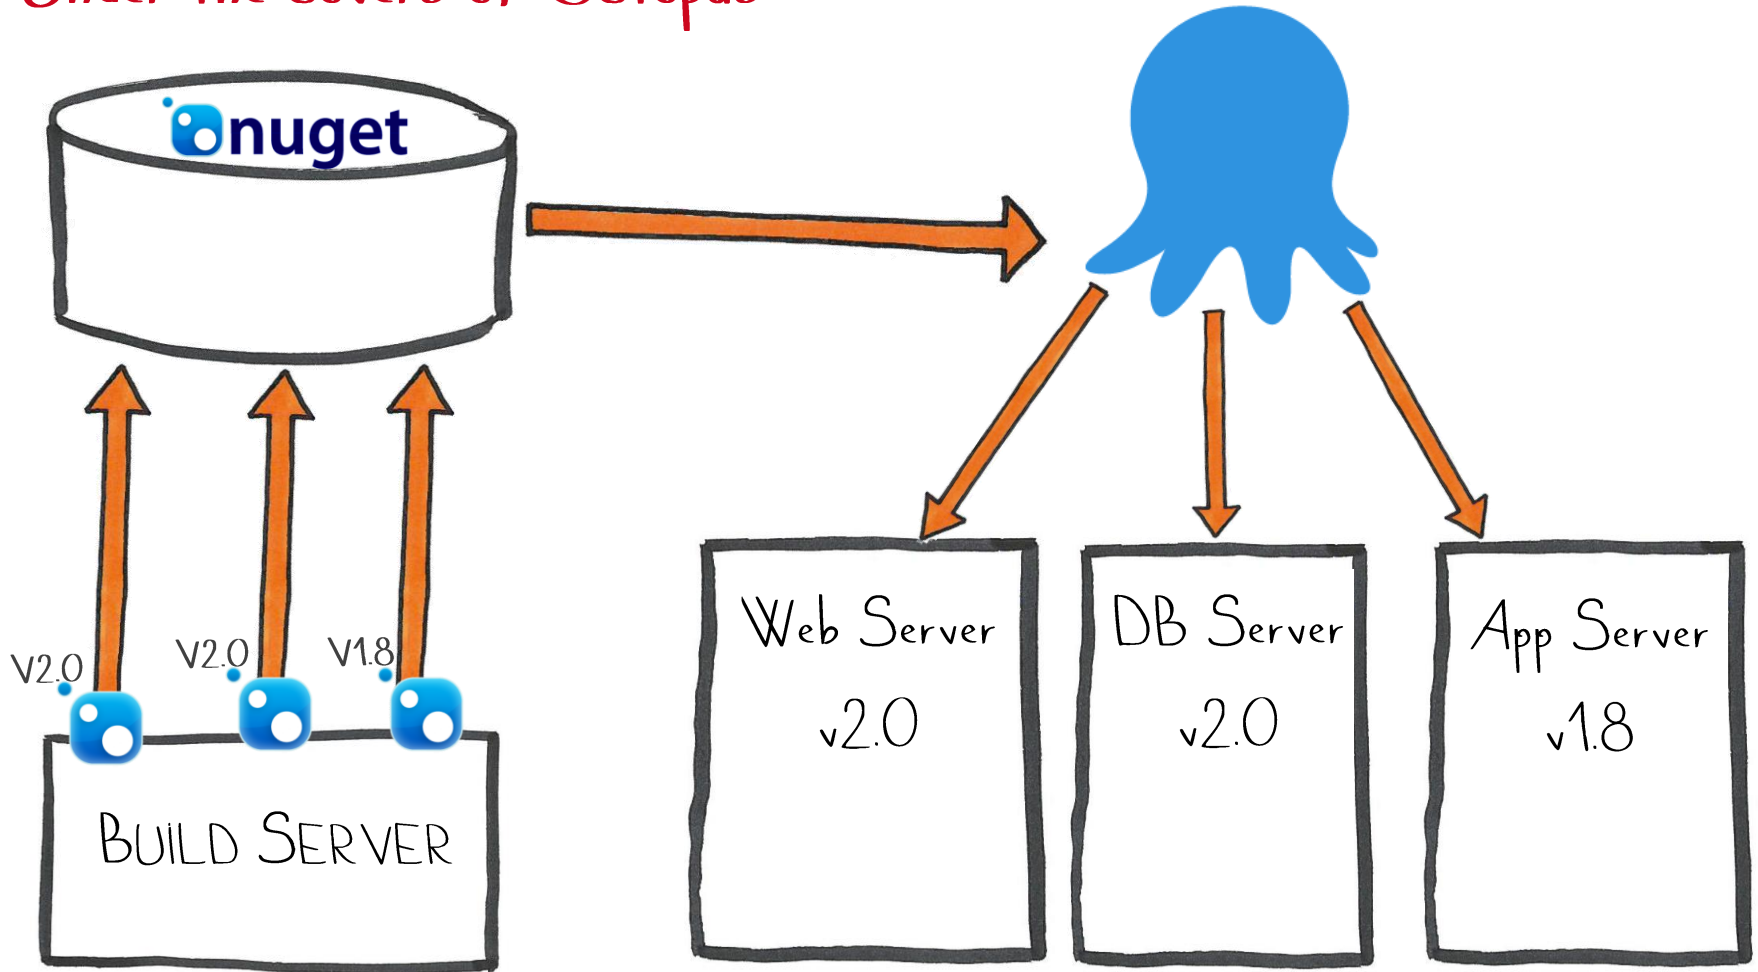

Under the covers of Octopus

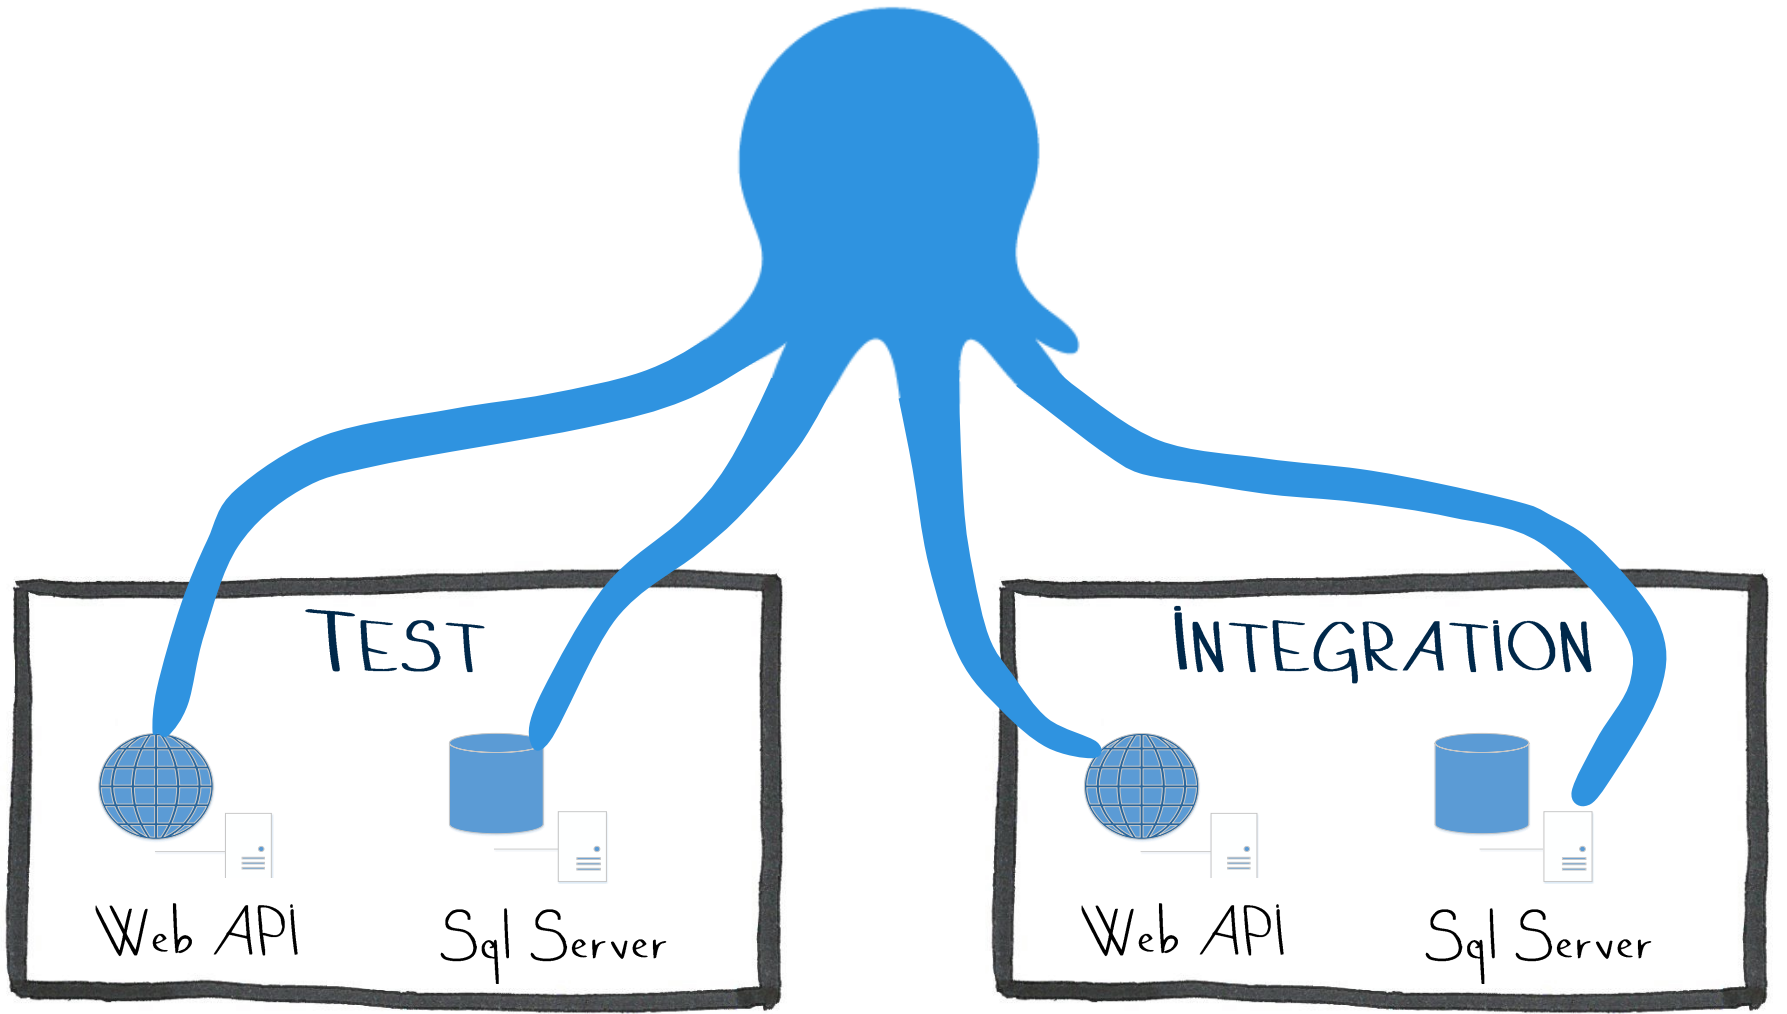

- Head (Octopus Server)
- Tentacles (Agent) SQUID
- PKI und X.509

Under the covers of Octopus
